

AudioScripture Ministries

Christians in Mozambique are eager to learn more about God, but most can't read. Sixty percent of Mozambique's people are illiterate. Audio Scripture Ministries is working to get the Bible into the hands of these people in a form they can use and understand. Personal audio Scripture players contain a native language translation of the Bible. A gift of \$40 will enable a Mozambican family to receive a Scripture player. The goal is to raise funds to distribute 1000 digital audio Bibles in Mozambique this year. Will you or your church consider partnering with us in bringing God's Word to the people of Mozambique?
